Translation of the lyrics into English.

Maguwa Maguwa,
To the world, make your charm known,
Maguwa Maguwa,
For your support, set the boundaries.

If your eyes don't shed tears,
Understand the pain of this earth,
If your elephant-like hand doesn't reach out,
How will the heart touch?

Every year with love,
You've woven a band,
In the unending struggles,
Through countless hurdles
with your bangles tinkling, embodiment of
power,

In the world without you, the light dims.
In the garden of dreams, like a ~~blooming~~ blossoming
flower,
You spread the radiance, a flowing stream.

Maguwa Maguwa.

To the world, make your charm known
Maguwa Maguwa,
For your support, set the boundaries.

If your expressive eyes don't open,
How will the earth know your worth?

If your gentle palm doesn't touch,
Who will be comforted?

Every season with love,
You have created a bond,

In the tireless effort,
Despite the hardships.

In the lap of time, embodiment of power.
You illuminate the world in your absence.

In the rhythm of waves, in the dance of the breeze,
In every heartbeat, you are present.

Magura Magura,

To the world, make your charm known

Magura Magura

for your support, set the boundaries.
